

## **In Tanakh Times**

By Moshe Schwab

### **For I am the Lord, I do not change. Mal 3:6**

God was directing His people and speaking to them, He gave them information and wisdom, and gave them the Tanakh.

God protected, healed, did miracles, provided for His people, and created divine appointments.

People prayed to God and sometimes received answers to prayer, people praised God and sang to God, they encountered God and angels, they pronounced blessings through God, and they did the work of God.
